**Amendment B**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Amendment A, filed on 08-09-04, was considered to be Non Compliant, by Legal Instruments Examiner A. Carrington, because each claim in Amendment A did not have the proper status identifier (e.g. original, canceled, new, previously presented, withdrawn, currently amended, not entered). I was informed that because of this, the individual status of each claim could not be identified.

In response to that Office Action, I have now identified Claim #1 as being Canceled and Claim #2 as being New. Both claims, along with their respective identifiers, are attached to this cover letter.

Respectfully,

  
Mark C. Blackwood
